PETITION TO REVIVE UNINTENTIONALLY
ABANDONED APPLICATION - 37 CFR 1.137(b)The Honorable Commissioner
of Patents and Trademarks
Washington, D.C. 20231

Dear Sir:

Applicant hereby petitions the Commissioner of Patents and Trademarks as follows:

A Notice of Abandonment for failure to timely file new formal drawings as required in the Notice of Allowability was issued on November 9, 1998. Applicant submitted a Designation of Drawings on December 29, 1997, however, the Designation of Drawings did not include new formal drawings.

Please revive the above-referenced application for the purpose of issuance. We enclose the petition fee set forth in 37 C.F.R. 1.17(m), along with the formal drawings required in the Notice of Allowability.

The undersigned has reviewed the record and has determined that the delay in prosecuting the lapsed patent application ('014) was unintentional.
